We without Jesus cannot do anything, like the branches without the vine. And He – let me say it – without us it seems that He can do nothing, because the fruit comes from the branches, not the tree, the vine. In this community, in this intimacy of remaining fruitful, the Father and Jesus remain in me and I remain in Them.

And it comes to my mind to say, what is the need that the tree, the vine has for the branches? It's bearing fruit. What is the need - let's say a little boldly - what is the need that Jesus has for us? The testimony. When He says in the Gospel that we are light, He says, "Be the light, so that men may see your good deeds and glorify the Father"(Mt 5:16), that is, witness is the need that Jesus has for us. To bear witness to His name, so that faith, the Gospel grows by our testimony.
